

Now Accepting Nominations for the 2022 Graduate Advisor and Mentor of the Year

There are two opportunities for graduate students to recognize their Advisors and Mentors this year. Nominations are now being sought for the **2022 Graduate Student Advisor of the Year** and **2022 Outstanding Graduate Student Mentor**. Selection of members of the MSU faculty will be based on well documented examples of the highest dedication to graduate students while serving as an advisor or mentor. References to specific outcomes of their efforts need to be included.

How to Nominate a Graduate Student Advisor or Mentor:

Any graduate student may nominate their major advisor by submitting a nomination letter. The nomination letter must be accompanied by a supporting letter prepared by another graduate student. Each letter should include a detailed description/evidence of outstanding advising and outcomes and be submitted in 12-point font not exceeding 3 pages.

Please submit your nomination for the 2022 Graduate Student Advisor of the Year no later than 5:00 p.m.,
March 4, 2022 on Cowbell Connect at the link below.
