

NIH NIEHS Scholars Connect Program 2022 – **REMINDER**

Apply at <https://zintellect.com/Opportunity/Details/NIH-NIEHS-SCP-2022>

Students in the NIEHS Scholars Connect Program (NSCP) have an opportunity for hands-on mentored research experiences, as well as professional and personal development. NSCP is committed to encouraging students to pursue careers in scientific investigation, both basic and clinical. Scientists at NIEHS are committed to sharing with students and educators the intensity, excitement, sense of discipline, and tremendous satisfaction that careers in science can impart to those who pursue them.

What will I be doing? With the help of your mentors, you will define a project, construct and test the hypothesis analyze the results, draw conclusion, and to present findings at the end of every connections. You will also participate in professional and career development opportunity seminars.

Why should I apply? As a Scholar, you will be a part of research teams striving to accomplish NIEHS research mission in areas related to human health and the environment. NSCP is dedicated to providing training in biomedical research so that you can apply your knowledge outside the classroom and gain career-changing experiences.
