

# Omni Technology Alliance Internship Program – **NEW**

<https://orise.orau.gov/doe-omni/>

The U.S. Department of Energy (DOE) Omni Technology Alliance Internship Program provides paid 10-week summer internships for up to three consecutive summers for talented undergraduate and graduate students in Cybersecurity, Information Technology, and other related fields. Interns will hold appointments at DOE national laboratories, Power Marketing Administrations (PMAs), plants, DOE Headquarters, and other approved sites.

Interns will receive hands-on experience in an immersive environment that provides them with an understanding of the mission, operations, and culture of DOE. Moreover, interns will be mentored by leading scientists, engineers, and other top professionals to address cybersecurity and information technology challenges while gaining valuable, real-world experience to complement their education and open opportunities for careers within the federal government.

Applications should be submitted at <https://www.zintellect.com/Opportunity/Details/DOE-OmniAlliance-2022summer>. The due date is **February 17, 2022, 11:59 pm Eastern Time Zone**.
